## ABOUT THE YOUNG PROFESSIONALS BOARD

Founded in 2015, the mission of the Ranken Jordan Young Professionals Board is to support patients of the hospital and their families while promoting the “Care Beyond the Bedside®” model within the St. Louis young professional community.

Through fundraising efforts, volunteer activities, and peer education, the Young Professionals Board members serve with the same innovation and relationship building skills that helped establish Ranken Jordan in 1941.

By joining us, you will foster leadership skills, enhance your professional network and credibility, and build invaluable relationships that could benefit you for a lifetime. Above all, this is an opportunity for you to get involved with a local organization that is helping children with medical complexities live their best lives.
